To Whomever it May Concern:

I am submitting a request for a transfer from Croville to the Bay Area for personal reasons. My father is presently not able to work because of his health and my mother has had to retire because of poor health. Since I am the only son it would help the situation if I could be closer to home.

Your immediate consideration of this matter would be greatly appreciated.

Further information will be submitted upon your request.

Thank-you

James J. Colbert Jr.
