Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Company proposes to make Note 2, under the Apprentice Fitter job description in Title 600, effective August 1, 1983 instead of January 1, 1984 as per the new Agreement.

This will facilitate the filling of vacancies as some employees and departments have been reluctant to enter or fill the Apprentice classification from the Fieldman classification due to the cut in wage rates.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By J. W. Bonbrugh
