 Walnut Creek, California 94596

Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to the provisions established in Letter of Agreement 84-50 (Meter Reader Settlement), the Meter Readers in Richmond office, East Bay Division, have requested to distribute daily routes by columns rather than strings. A column is a series of strings which are read in sequence and then started over again. The Meter Readers have requested a column of three strings. This would allow more variety in their routes and is consistent with their procedures prior to the new Meter Reader Agreement. The Meter Readers in the above-named office voted and agreed upon, by a majority vote, this proposal.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By *W. Babright*  
 Manager of Industrial Relations
