Attention: Mr. J. K. McNally, Business Manager

Gentlemen:

The Company proposes to place Mr. David Barnett previously a Travelling Mechanic at the Geysers Power Plant into a Gas Helper position in Santa Rosa, North Bay Division, under Section 205.17 of the Company/Union Agreement.

Mr. Barnett was permanently precluded from working at his basic classification of Travelling Mechanic at the Geysers Power Plant, effective May 10, 1984 because of an allergic skin reaction to the fallout at the cooling towers. North Bay Division, therefore, would like to place Mr. Barnett in a vacant Gas Helper position in Santa Rosa. Presently, there are five Priority 2 transfers on file for the Gas Helper position, two with more seniority than Mr. Barnett. Mr. Barnett's employment date is June 8, 1978.

The employee, North Bay Division, and Mr. Ed Caruso, the Union Business Representative serving this area, are all in agreement with this proposal.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By 
 Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
