Attention: Mr. Jack McNally, Business Manager

Gentlemen:

The Company proposes, pursuant to Subsection 202.16(b) of the Physical Agreement, to continue the regular summer hours of the day employees at the Topock Compressor Station on a trial basis until April 26, 1986. The regular summer hours which will be continued are from 7:00 a.m. to 3:30 p.m.

We believe that the daylight conditions in this southern location may allow the early start time to be more productive. Should the trial period establish this to be the case, these hours will be continued on a permanent basis.

At the conclusion of the trial period, either Company or Union may terminate this agreement at the expiration of 30 calendar days following receipt by either party of such notice of intent.

It is our understanding that this proposal has been discussed with Mr. Wayne Weaver, Union Business Representative.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By M. Roubright
Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
