Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Certain training material for the Apprentice Instrument Repairman Training Program-Steam Generation is no longer available from the supplier, Brodhead and Garrett Company. The AC/DC Electronics training material cannot be purchased, and the hardware trainers now being used are obsolete and no longer functioning. The Interplant Maintenance Committee has determined that the attached training material from Heathkit will suffice for an interim period.

Company is in the process of revising the Apprenticeship Instrument Repairman Training Program and will submit its revision at a later date under separate cover.

If you are in accord with the foregoing and the attachment and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
