Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Letter Agreement 87-132-PGE, the Company proposes to extend the pilot ten-hour, four-day workweek schedule at the Fremont Gas Meter Repair Plant through September 30, 1987.

The pilot was implemented October 20, 1986 and was extended through August 31, 1987.

This extension will provide time for both parties to refine their proposals concerning adoption of the four-ten schedule on a regular basis. During the additional period, the terms of the original agreement signed on September 23, 1986 (Attachments I and II), and a modified work schedule agreed to on January 20, 1987 (Attachment III), will remain in effect.

If you are in accord with the foregoing and the attachments and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
