Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Letter Agreement 88-48-PGE (Rerate Agreement) provides that a significant change in the work load of a station may result in reevaluation of that station. Due to a change in jurisdiction, Fulton Switching Center has had such a significant change in work load. Completion of the "Questionnaire for System Operator Responsibility" resulted in an assignment of 86988 points which is in excess of the System Operator No. 1 cutoff level. Therefore, pursuant to Section 205.19, Company proposes to reclassify Fulton Switching Center System Operators to the System Operator No. 1 classification effective upon the signing of this agreement.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
