Attention: Mr. Jack McNally, Business Manager

Gentlemen:

On December 1, 1990, in accordance with Letter Agreement 89-181-PGE, Gas and Electric T&D personnel were relocated from Fresno to the Clovis headquarters. Since that time it has become apparent that one additional classification should have been relocated.

In accordance with Section 206.17 of the IBEW Physical Agreement and as an addition to Letter Agreement 89-181-PGE, the Company proposes to relocate one additional Fresno based Gas T&D employee, a Fitter, to the Clovis headquarters.

The Company proposes Fresno headquartered Gas T&D employees in the Fitter classification be allowed to volunteer to relocate on the basis of seniority. A sign-up sheet will be posted for one week beginning February 5, 1990 and ending February 9, 1990. If there are no volunteers, the position will be filled by demoting the junior employee in the Fitter classification in accordance with Sections 206.3 and 206.4 of the Contract Agreement.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
