Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Mr. Leo Luna is an injured employee who has been permanently precluded from his usual and customary occupation of Rigger in the Mechanical Maintenance department at Pittsburg Power Plant. Company proposes to vocationally rehabilitate Mr. Luna as a Materialsman.

If Mr. Luna's rehabilitation as a Materialsman is successful, Company proposes to reclassify Mr. Luna's Rigger position to a Materialsman position at Pittsburg Power Plant and pursuant to Section 205.19 of the Physical Agreement place Mr. Luna in the vacant position.

A joint Company and Union committee reviewed the bid list to the Materialsman classification at Pittsburg Power Plant on July 31, 1991, and found no qualified "A" bidders.

In addition, if agreement is reached on the above placement, Company proposes that the floor number for purposes of Letter Agreement 88-104, be transferred from the Steam Department Mechanical Maintenance to the Materials Distribution Warehouse at Pittsburg Power Plant.

This proposal has been discussed with Mr. Joe Valentino, IBEW Business Representative.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By 
Manager of Industrial Relations
