Attention: Mr. Jack McNally, Business Manager

Gentlemen:

It has come to our attention that the 1300 Gas Mechanic was omitted from the Underground Construction Journeyman, Gas and Electric, line of progression. The Gas Mechanic appears as next lower to the Underground Construction Crew Foreman, Electric and Gas, and the parties agree that its omission from the journeyman line of progression was inadvertent.

Company therefore proposes, pursuant to Subsection 204.4(b) of the Physical Agreement, to amend Exhibits VI and VI-L and Sections 600.1 and 600.12 to modify the line of progressions for the 1077 Underground Construction Journeyman-Electric and 1078 Underground Construction Journeyman-Gas to include the 1300 Gas Mechanic as a "Same or Higher Classification."

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
