Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Section 202.16(b) of the Physical Agreement, Company proposes to establish a work period of 4:30 p.m. to 1:00 a.m., Monday through Friday, for two temporary additional clerical employees in the Work Planning Center at Diablo Canyon Power Plant. The employees will be involved in the Work Planning Center's Pilot Imaging Project and will be responsible for optically scanning approximately 200,000 existing Work Order sheets into a database. The scanning equipment is not available on the normal shift as it will be in use by the regular clerical employees.

The scanning should start on approximately January 20, 1992 and continue for 6 weeks. The temporary additional employees may be initially assigned to day shift for training.

This proposal has been reviewed with the local IBEW Business Representative.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
