**Attention: Mr. David J. Bergman
Director of Industrial Relations**

Gentlemen:

Letter Agreement 92-71-PGE provides for modification to the provisions of Section 301.4 of the Physical Agreement. Finalization of the change was contingent upon completion of a survey of the affected Union membership of General Construction Department.

The survey has been completed and a tally of the poll was completed on August 26, 1992. Approximately 86% of the members polled indicated acceptance of the proposed changes.

With that being the case, Union proposes the tentative provisions outlined in LA 92-71-PGE be adopted, to become effective not later than October 1, 1992.
