Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Subsection 204.4(b) and Section 205.19, Company proposes to reclassify the positions of two (2) Measurement and Control Mechanics, located at the Merced Service Center and the incumbents to Gas Control Technicians without regard to Subsection 205.4 (h) or Section 205.7. The incumbents and service dates are as follows:

Larry Noceti	5/26/59
Bob Williams	9/26/66

Operation and maintenance work associated with the new Gas SCADA system, new electronic measurement systems and the equipment associated with the therm billing system, require the higher classification because of the more technical nature of this work. This work now involves computer systems and advanced electronic systems.

We've reviewed this with Business Representative, Frank Hutchins.
