Attention: Mr. Jack McNally, Business Manager

Gentlemen:

In accordance with Section 205.19 of the IBEW Physical Agreement, Company proposes to waive Section 205.10 in order to allow Mr. John Nelson, Electric Meter Utility Worker, Fresno Division, to return to his previous Line of Progression of Electric Operating within 12 calendar months of changing Lines of Progression.

Mr. Nelson had been a System Operator I for nearly 10 years. Due to his medical condition, Mr. Nelson elected to accept an Electric Meter Utility Worker position on April 8, 1996. However, in October 1996, Mr. Nelson received a full release from a panel physician stating that Mr. Nelson could return to his former classification of System Operator I. Mr. Nelson is currently a "D" bidder to a System Operator I vacancy.

This proposal has been discussed with the local Union Business Representative, Ron Van Dyke.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
