Attention: Mr. Jack McNally, Business Manager

Gentlemen:

In accordance with the Critical Classifications Supplement, Paragraph 5, of the Physical Labor Agreement, the Company proposes to remove the critical classification status of Lori Melesurgo, System Operator I, located at the Edenvale Service Center in San Jose.

Ms. Melesurgo was previously displaced from the Cupertino Service Center when Switching Center Operations were consolidated. It is anticipated that Switching Center Operations will be reopened in Cupertino sometime in 1997. By removing the critical status, Ms. Melesurgo will be able to exercise her 206.9 rights to the Cupertino Service Center. It is intended that Mrs. Melesurgo would forego the eight percent premium and be eligible to submit prebids and transfers upon the signing of this agreement.

This agreement has been reviewed with Business Representative, Kathy Maas.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
