Attention: Mr. Jack McNally, Business Manager

Dear Mr. McNally:

Letter Agreement 96-93 provided for the conversion of agency employees to Utility Clerk-Hiring Hall status to provide temporary continued support to the Target Customer Appliance Program (TCAP).

Originally, only five agency employees were identified as requiring conversion. Prior to the signing of L/A 96-93, but before a revised agreement could be submitted, another agency employee agreed to convert to Hiring Hall status.

As such, Company proposes to convert one additional agency employee to Utility Clerk-Hiring Hall status, effective immediately upon the signing of this agreement. The agency employee impacted by this conversion is listed below:

Estella DelaCruz

i-4845

In keeping with the provisions of L/A 96-93, all future temporary clerical support for TCAP while the program is located in the Company's geographical regions and divisions will be provided via the Hiring Hall.

This proposal has been discussed with Union Business Representative Lula Washington.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
