Attention: Mr. L. L. Mitchell, Business Manager

Gentlemen:

The movement of employees to the Materials Center at Marysville will take place between September 1973 and March 1974 as indicated to you in my letter of July 19, 1973 concerning the procedure for initial staffing of the Center. Since the movement of employees to the Center is to take place over a period of time, Company proposes effective August 27, 1973 to consider all Materials Distribution employees in Colgate, De Sabla and Drum Divisions as being at the same headquarters for application of both Title 205 and 206 of the Physical Agreement. This will allow all employees in these Divisions the right to prebid positions at the Center rather than only those employees who have physically transferred to the consolidated Center.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
