Attention: Mr. Jack McNally, Business Manager

Dear Mr. McNally:

The Grid Maintenance, Construction and Operations 94-53 Committee recommended that the Journeyman Electrician Test - Maintenance (0467, 0459) no longer be a requirement for Title 300 Electrician (0474) bidding Electrician - Maintenance positions. The Company and Union are jointly working on a common training program for the Electrician classification combine both the General Construction with Division Electric Maintenance Department Program.

The Company proposes to eliminate the Division Journeyman Electrician - Maintenance entry exam for Title 300 Electrician (0474) as a requirement when bidding Title 200 (0467, 0459) positions.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
