Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Subsection 202.16(b) of the Physical Agreement, Company proposes to include the schedule and conditions described below as an option under Section 202.17 for planned and unplanned outages at the Diablo Canyon Power Plant.

SCHEDULE

The following schedule will apply to regular day employees in the Mechanical Maintenance, Technical Maintenance, and Tool Management Group, as well as Shift Control Technicians, and Apprentice Shift Control Technicians on a voluntary basis:

First Shift 6:30 a.m. - 5:00 p.m.
Second Shift 6:30 p.m. - 4:30 a.m.

Although not required by Title 110 of the Agreement, employees on the second shift will be provided an hourly premium equivalent to the third shift premium.

This schedule is needed to alleviate the congestion in the parking lots, access road, and shop areas during the shift change. All of the other provisions of Section 202.17 will apply.

TIME PERIOD

The provisions of 202.17 may be implemented within two weeks of the planned opening of the breaker and extend until the unit has been returned to service and has operated at or above 90 percent power for 48 hours, or until 10 calendar days from the date the breaker was closed, whichever occurs sooner.

This proposal has been reviewed by the local Business Representative. Either party may cancel this agreement with 60 days written notice.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY

Chief Negotiator
