Attention: Mr. Jack McNally, Business Manager

Dear Mr. McNally:

Pursuant to the provisions of Letter of Agreement 88-104, Company proposes, for reporting purposes of 88-104, to transfer the headcount of 2 Water department employees, located at Helms, to the Hydro Maintenance department, located at Helms. This transfer will reduce the headcount in the Water department at Helms to 0, and increase the headcount in the Hydro Maintenance department at Helms to 9. There is no contracting occurring in either of these departments at Helms.

This transfer is a result of vacancies in the Water department being reclassified to positions within the Hydro Maintenance department.

This transfer has been discussed with Business Representative Jim Lynn.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
