Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Section 204.4 of the Physical Agreement, Company proposes to reclassify the vacant Utility Compressor Plant Operator, Topock, (1568) position to that of Operating Clerk-Typist (2667) and to reclassify the existing Yardman, Topock, (2640) position and its incumbent, Mr. A. Salas, to that of Maintenance Assistant (0057).

This reclassification is appropriate as the former Utility Compressor Plant Operator's Compressor Plant Operator duties will be assumed by Assistant Compressor Plant Operators and Senior Compressor Plant Operators, and the remaining clerical, materials, and Yardman duties are consistent with the Operating Clerk-Typist and Maintenance Assistant job descriptions.

Further, Company proposes to establish the Maintenance Assistant classification as a regular classification within Pipe Line Operations.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
