Attention: Mr. Jack McNally, Business Manager

Gentlemen:

This letter cancels and supersedes our letter dated January 23, 1990 on the same subject.

Company proposes, pursuant to Subsection 202.16(b) of the Physical Agreement, to establish a new schedule in the Jackson Fleet Services Department on a six-month trial basis for the purpose of providing service to remotely located Hydro facilities during daylight hours.

The trial would involve two Equipment Mechanics, currently working 3:30 p.m. to 12 a.m., Monday through Friday. The proposed additional schedule is as follows:

3:30 p.m. to 12 a.m. Monday through Thursday
9:00 a.m. to 5:30 p.m. Friday

The proposal would require that the two Equipment Mechanics rotate between the two schedules on a weekly basis.

This proposal has been discussed with the local Business Representative, Bob Gibbs.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
