Pacific Gas and Electric Company

Walnut Creek, California 94598

Attention: Mr. Rick R. Doering, Manager & Chief Negotiator

Dear Mr. Doering:

Pursuant to Subsection 202.16(b) of the Physical Agreement, Union proposes that an additional schedule be established for the Telecommunications Technicians in the General Office headquarters of Computer & Telecommunication. This schedule is necessary due to an on-going need for client work, such as bringing down servers for maintenance during the night, which cannot be performed during the current day schedule

As the Telecommunications Technicians are currently on a 9x80 schedule, the hours of this new schedule will be from 1:00 p.m. until 10:30 p.m. This schedule will be offered to the Telecommunications Technicians on a voluntary basis and the most senior volunteer will be assigned. In the event there are no volunteers, the most junior Telecommunications Technician will be assigned.

This agreement may be canceled upon 30 days written notice by either Union or Company.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Union.

Very truly yours,

LOCAL UNION NO. 1245, INTERNATIONAL  
BROTHERHOOD OF ELECTRICAL WORKERS, AFL-CIO
