Lita:

The CIP Department was set up in Letter Agreement 05-15 and should be assigned as Section 600.14, Exhibit VI-N, CIP. The Work and Resource Coordinator should be assigned Section 600.15, Exhibit VI-O. The next revision to the CBA Exhibit VI will need to be updated.

John,
 Would you please explain to Lita.
 Margaret

I'm sorry, I'm lost. Under Exhibit VI – Job Definitions and Line of Progression, on the contract book, the last Section is 600.13, Exhibit VI-M, which is Field Employees – General Construction. You are saying Resource Dept should be, “the next Section after CIP dept...” What is CIP?

Was CIP created under Exhibit VI? Is it assigned as Section 600.14, Exhibit VI-N, CIP?
 If so, then Resource Dept. falls under Section 600.15, Exhibit VI-O.
 Please advise.

These questions are for the purpose of Contract Section Indexing of Letter Agreements.

Thank You,
 Lita Clark
 UU 1245 Administrative Assistant

Yes, and it should be the next Section after CIP dept...per John.
John, pls confirm.
Margaret

To All:

Does it mean Resource Dept. is under a new Section, which is 600.14? Please advise.

Thank You,
Lita Clark

Margaret:

I'll be in this morning sometime. I suggest a new department and call it Resource Department.

John,
Lita asked me about this too. The email she sent you summarizes what I suggested. Let's talk.

Hi John

In the past, we were told that an Exhibit 16 department for Work & Resource Coordinator would be forthcoming. Meg is about to set up new bidcodes for a bunch of these positions (L/A 06-48) so we need to identify the correct Labor Agreement Department.

Margaret - affects Bidding & Demotions in addition to Ex 16, so hopefully these are all in sync in terms of where these jobs fall?

Please advise
Thanks
Darren
