Joint Grievance Committee**

The above-subject grievance has been reviewed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned to the Division for further investigation. Before the Review Committee will accept the grievance, the following information is required:

Inasmuch as the assignment of the alteration work to a Gas Serviceman is unique to San Francisco Division, the historical practice of filling this job, the actual job duties required of the job, and the hours of work of this job and how it relates to the regular Serviceman schedule will be required before the Review Committee will be able to reach a settlement in the case.

After the investigation is completed, the Division should again attempt to resolve the grievance. If not, the case should be returned to the Review Committee, accompanied by a joint report of your findings.
