Sacramento Division Grievance No. D.Gr/C 6-74-4
Denial of Upgrade for D. R. Norris
P-rc 95

November 6, 1974

MR. C. F. POTEET, Company Member
Sacramento Division
Local Investigating Committee

MR. A. SANDOVAL, Union Member
Sacramento Division
Local Investigating Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned to the Division for settlement in accordance with the following:

The record indicates that the grievant was the senior prebidder to Gas Serviceman during the days in question and consequently should have been upgraded instead of Mr. R. L. Hicks, Reserve Gas Serviceman. The only unanswered issue in this case is whether the grievant is entitled to pay for work not performed, and to this end the Pre-Review Committee is of the opinion that the grievant is entitled to the correction asked for and the case resolved accordingly.

This case is considered closed and will not be docketed on the agenda of the Review Committee.

Review Committee
