North Bay Division Grievance No. D.Gr/C 4-74-24
Extended Upgrades to Temporary Additional Line Subforeman
P-RC 168

June 30, 1975

MR. R. H. JONES, Chairman
North Bay Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned to the Division for settlement in accordance with the following:

In reviewing the entire record submitted to the Review Committee, it appears that justification probably did exist for an additional Line Subforeman position at the time the grievance was filed. However, temporary additional upgrades as of the date of this referral appear to have been discontinued due to a reduction of work load, and the situation no longer exists. If this is the case, the issue in dispute is moot, and the Joint Grievance Committee should resolve the grievance accordingly.

When a settlement is reached by the Joint Grievance Committee, the Review Committee should be sent a copy of the final disposition.

L. V. BROWN, Chairman
Review Committee
