 LETTER DECISION
 PRE-REVIEW REFERRAL

Coast Valleys Division Grievance No. 18-94-77-23
P-RC 317
Pay For Cancelled Prearranged Overtime,
Radiation Protection Monitor

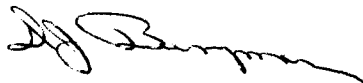

March 22, 1977

MR. D. W. PHIPPS, Chairman
Coast Valleys Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section 1 B(2) of the Review Committee procedure, to the Joint Grievance Committee for settlement in accordance with the following:

The issue concerns the prearranged overtime assignment for March 6, 1977. The grievant, a Radiation Protection Monitor, was scheduled to work prearranged overtime beginning at 8:00 AM on March 6. At 1:00 AM that day, he was called to report to work as soon as possible. In effect, the prearranged overtime assignment was accelerated to the time of the call, and due to the short notice, the grievant was paid for one meal. The grievant is requesting a two-hour minimum payment for cancellation of prearranged overtime pursuant to Section 208.14 of the Agreement. The issue in dispute revolves around whether Review Committee Decision No. 1064 is applicable in this case, and based upon the hours worked, the Pre-Review Committee is not in a position to determine the applicability of the above-mentioned Review Committee settlement. However, the Pre-Review Committee agrees that by calling out the grievant at 1:00 AM entitles him to the double time rate of pay for the hours worked on March 6, 1977.

This case is considered closed on the basis of the foregoing, and the closure should be so noted in the minutes of your next Joint Grievance Committee meeting.
