Discharge of Helper

- DECISION
 LETTER DECISION
 PRE-REVIEW REFERRAL

January 25, 1978

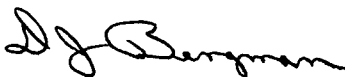

MR. J. A. CATES, Company Member

Local Investigating Committee

MR. R. STALCUP, Union Member
General Construction
Local Investigating Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section 1 B(2) of the Review Committee procedure, to the Local Investigating Committee for settlement in accordance with the following:

The case concerns the discharge of a Helper on August 5, 1977, for alleged falsification of time reports. In reviewing the case, the Pre-Review Committee, at this time, has not been able to determine whether or not the grievant knowingly submitted falsified time cards and, therefore, cannot conclude that the grievant's actions were acts of misconduct. Further, it has come to the attention of the Pre-Review Committee that the grievant is not interested in reinstatement with the Company or back-pay and only interested in clearing the record (see attached). With that being the case, the Pre-Review Committee is of the opinion that the grievance is moot, and the case should be closed without adjustment by the Local Investigating Committee.

This case is considered closed on the basis of the foregoing, and the closure should be so noted by the Local Investigating Committee.

Review Committee
