Colgate Division Grievance No. 12-21-77-12  
P-RC 333  
Outside Company to Deliver Materials

- DECISION  
 LETTER DECISION  
 PRE-REVIEW REFERRAL

January 13, 1978

MR. J. L. MacDONALD, Company Member  
Colgate Division  
Local Investigating Committee

MR. A. L. BAKER, Union Member  
Colgate Division  
Local Investigating Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section 1 B(2) of the Review Committee procedure, to the Local Investigating Committee for settlement in accordance with the following:

The grievance concerns the use of an outside trucking company to deliver materials to Canyon Dam and Quincy (one delivery per week), located in De Sabla Division. The grievance alleged that Division is in violation of Section 207.2 of the Physical Labor Agreement and requests that Division cease the practice and, in addition, establish a truck driving classification to make the deliveries. In reviewing the Joint Statement of Facts, specifically, Item 3, Paragraph 7, the Pre-Review Committee is of the opinion that the deliveries to these two locations were handled by De Sabla Division, prior to the consolidation, in the same manner that they are currently handled in Colgate Division. Therefore, a violation of Section 207.2 has not occurred. However, Union reserves the right to raise the question of transportation sub-contracting relative to the Division Materials Department during interim negotiations.

This case is considered closed on the basis of the foregoing, and the closure should be so noted by the Local Investigating Committee.

D. J. BERGMAN, Chairman  
Review Committee

L. N. FOSS, Secretary  
Review Committee
