May 22, 1978

Local Investigating Committee

MR. C. L. WHEELER, Union Member
North Bay Division
Local Investigating Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section I B(2) of the Review Committee procedure, to the Local Investigating Committee for settlement in accordance with the following:

The grievance concerns the demotion of a First Operator headquartered at Fulton Substation, North Bay Division, for continued irresponsible conduct on the job. It has come to the attention of the Pre-Review Committee that subsequent to the demotion, the grievant resigned from the Company, and with that being the case, the Pre-Review Committee agrees that the issue in dispute is moot, and the grievance closed without adjustment.

This case is considered closed on the basis of the foregoing, and the closure should be so noted by the Local Investigating Committee.
