P-RC 372
Lineman Performing Troubleman Work

- DECISION
 LETTER DECISION
 PRE-REVIEW REFERRAL

October 17, 1978

MR. F. DeGENNARO, Chairman
North Bay Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section I B(2) of the Review Committee procedure, to the Joint Grievance Committee for settlement in accordance with the following:

The issue in dispute concerns the assignment of a Lineman to perform Troubleman work on an overtime basis as opposed to calling in the grievant, a Troubleman, on his non-workday. The Joint Statement of Facts indicates that the two regular Troublemens headquartered in Healdsburg and Cloverdale work a ten days on, four days off, schedule which results in upgrades to the senior Lineman on Mondays or Fridays at the appropriate headquarters. Further, the record indicates that this arrangement has been in existence for several years, with the upgraded Lineman considered an integral part of the Troubleman's schedule, and lacking information to the contrary is presumed to be an agreed-to schedule. In view of the above and coupled with Section 212.10 of the Physical Labor Agreement, it is the opinion of the Pre-Review Committee that the Division is in compliance with the Labor Agreement.

This case is considered closed on the basis of the foregoing, and the closure should be so noted in the minutes of your next Joint Grievance Committee meeting.
