Local Investigating Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section I B(2) of the Review Committee procedure, to the Local Investigating Committee for settlement in accordance with the following:

This case involves the proper classification of two Clerk D cash receivers in the Concord Customer Services Office, East Bay Division. The Committee notes that in Paragraph 6 of the Joint Statement of Facts that the Customer Services Department is undergoing a conversion to teleprocessing equipment in that headquarters, and that it is possible that such conversion may result in establishing a Clerk C at the counter. In reviewing the factors in dispute in this case, the Committee agrees to settle this case without adjustment on the basis of the current Job Assignment Questionnaires. The Committee recommends that once the conversion and reorganization have been accomplished that new Job Assignment Questionnaires be prepared to determine these classifications for the future.

This case is considered closed on the basis of the foregoing, and the closure should be so noted by the Local Investigating Committee.
