Local Investigating Committee

The Pre-Review Committee has reviewed your referral letter of August 4, 1980 concerning the above-subject cases and is returning them to the Local Investigating Committee for settlement in accordance with the following:

P-RC 405 (8-42-76-42) - After comparing the various job assignment questionnaires contained in the Joint Statement of Facts, the Pre-Review Committee is of the opinion that the job in question is properly rated at the Operating Clerk rate of pay. This case is considered closed.

P-RC 406 (8-78-76-78) - It appears that the issues in both grievances are the same; and in view of the 1980 Clerical Settlement, the RWV designator was to be removed effective January 1, 1980 and consider them for purposes of Title 13, 18 and Exhibit F of the Clerical Agreement at the higher level until such time as the parties establish a new job evaluation system. Therefore, the jobs as of January 1, 1980 are Senior Operating Clerk II and Senior Operating Clerk I and should be treated accordingly.

These cases are considered closed on the basis of the foregoing and the adjustments provided herein and the closure so noted by the Local Investigating Committee.
