General Construction Grievance No. 3-577-79-66
P-RC 488
Forced to Take April 13, 1979, as a Floating
Holiday, Painters

September 15, 1980

MR. R. S. BAIN, Chairman
General Construction
Joint Grievance Committee

Statement of the Case

This case involves a question concerning the scheduling and work assignment for a designated floating holiday set for April 13, 1979.

Decision

Due to the 1980 revisions of the former contractual provisions for scheduling General Constructions floating holiday, the primary issue in the case is moot; therefore, the case will be considered closed without adjustment or prejudice to the former positions of either party.
