General Construction Grievance Nos. 3-775-80-60
and 3-819-80-104
P-RC Nos. 580 and 594

MR. R. S. BAIN, Chairman
General Construction
Joint Grievance Committee

The above-subject grievances have been discussed by the Pre-Review Committee prior to their docketing on the agenda on the Review Committee and are being returned for settlement in accordance with the following:

302.7 P P-RC 580 (3-775-80-60) - The key issue in the case appears to be whether the assignment of Messrs. Anderson and Ornelas on March 17 constituted a proper hours change in view of their assignment on March 20, 1980 when they reported to their regular headquarters. This question needs to be resolved; and once the Committee has reached a determination, they should again attempt to settle all issues presented in this case, including those indicated in the Joint Statement of Facts. As to the issue of the weekend constituting a break in the first four workdays, the Pre-Review Committee is in agreement that it does not constitute a break as provided for in Section 302.7 of the Agreement.

102.2 P P-RC 594 (3-819-80-104) - In reviewing the Joint Statement of Facts and the correction asked for, the Pre-Review Committee is of the opinion that a contractual violation did not occur and the correction asked for is denied.

These cases are considered closed on the basis of the foregoing, and the closure so noted in the Minutes of your next Joint Grievance Committee meeting.

D. J. BERGMAN, Chairman
