 LETTER DECISION
 PRE-REVIEW REFERRAL

North Bay Division Grievance No. 4-754-81-2
P-RC 643

September 21, 1981

MR. R. T. BUFKIN, Company Member
North Bay Division
Local Investigating Committee

MR. F. HUTCHINS, Union Member
North Bay Division
Local Investigating Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Step Five A(ii) of the grievance procedure, to the Local Investigating Committee for settlement in accordance with the following:

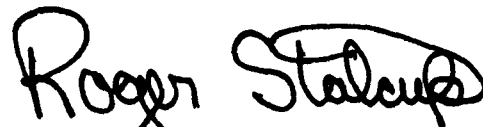

This case concerns the bypass of an Assistant Power Plant Operator at the Geysers to a Relief APPO classification because of his unavailability at the time of consideration for the vacancy. The grievant was living in a trailer in Loch Lomond on the Cobb Mountain side of the Plant and had no phone. In addition, the grievant testified that, on all of his days off, he travelled to Redding, several hours away to be with his family.

Subsequent to the filing of this grievance, the grievant transferred to a Mechanical Helper position and indicated that he is no longer interested in the Relief APPO position.

Inasmuch as the issue in this grievance is moot, the Pre-Review Committee agreed to close this case without adjustment and without prejudice to the position of either party. It was further agreed that both parties reserve the right to again discuss this issue in the future.
