MR. D. J. BERGMAN:

On February 25, 1983, the Joint Grievance Committee referred the subject Grievance to the Review Committee. However, on March 16, 1983, the case was recalled from the Review Committee by the JGC and settled.

The case was sent to you on March 28 for placement on the Pre-Review Committee docket. This was an administrative error and should not have occurred. Therefore, we now request that the case be withdrawn from the Pre-Review Committee.
