General Construction Grievance No. 3-1216-83-59
P-RC 913

May 8, 1984

Mr. R. S. BAIN, Chairman
General Construction
Joint Grievance Committee

MR. MIKE MCKINNEY, Chairman
General Construction
Joint Grievance Committee

The grievant, in this case, alleges that he was entitled to an adjustment as provided in the settlement of P-RC 771. In discussing this case (913), the Pre-Review Committee determined that there were six additional employees who had the same claim. The original grievances filed in P-RC 771 were "et al" grievances.

Therefore, the Pre-Review Committee is in agreement that these seven employees are entitled to retroactive pay as provided in P-RC 771, less outside income, if any.

This case and the issue raised in P-RC 771 are considered closed on the basis of the foregoing and should be so noted in the minutes of the next Joint Grievance Committee meeting.
