Grievance Issue

Company rejected Grievance No. SV-82-88-000-14 as being untimely. At issue is whether the Company properly administered the steno test. This grievance was filed requesting that the Company reconsider its position pertaining to the administration of the steno test.

Discussion and Disposition

Currently, the issue of the typing test and steno test is being discussed in Letter Agreement 89-204. The Committee agrees that an adjustment, if any, will be based on the outcome of the letter agreement proposal.

This case is closed as per the aforementioned and without regard to the timeliness issue.
