MARK ALDERSON, Company Member  
Coast Valleys Division  
Local Investigating Committee

KEN L. BALL, Union Member  
Coast Valleys Division  
Local Investigating Committee

Subject of the Grievance

This case concerns a Decision Making Leave received by a System Operator for poor work performance.

Discussion

In discussion of this case the Committee was unclear regarding certain information provided in the Joint Statement of Facts and some information that it believes was missing. Rather than request that the Local Investigating Committee clarify those ambiguities, the Committee believes that the case should be closed as moot as the DML has been deactivated.
