General Construction  
Joint Grievance Committee

## Grievance Issues

1. Improper layoff of a Field Clerk
2. Timeliness of Grievance No. 3-2039-89-144

## Discussion and Disposition

The Committee discussed the issue of this Field Clerk's rights to a Materials Man under the provisions of Sections 305 and 306. It was determined that the grievant had no contractual rights to the Materials Man classification. The grievant was laid off October 7, 1988 the day after the junior Routine Field Clerk transferred to Materials Man.

There was no violation of the Agreement in Grievance No. 3-2039-89-144 and without addressing the timeliness issue grieved in Grievance No. 3-2047-89-152, both cases are considered closed without adjustment.
