CASE CLOSED
LOGGED AND FILED

RECEIVED JAN 29 1993

SUBJECT OF THE GRIEVANCE:

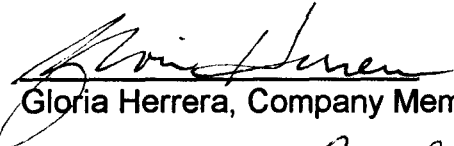

The grievance concerns whether a Region Transmission crew was bypassed for an emergency overtime assignment.

DISCUSSION:

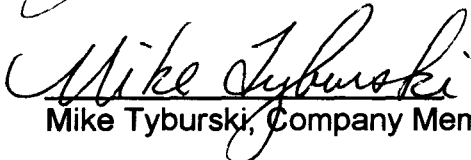

This grievance was discussed by the Fact Finding Committee in late 1991 but no agreement could be reached, so it was referred to the Pre-Review Committee. The Pre-Review Committee determined that there was no Title 212 violation but returned the case to the Fact Finding Committee to determine whether there was a Title 208 violation.

DECISION:

After re-examining the facts, the Fact Finding Committee agreed there was no Title 208 violation. This case is settled without adjustment.
