Grievance Issue: The Company use of Environmental Consultants, Inc. to perform work with the Company's tree trimming contractor.

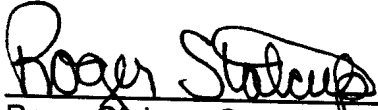

Discussion and Disposition:

The issue raised in the above listed grievance was heard by Arbitrator Kintz in Arbitration Case No. 201. Kintz determined that the weight of the evidence does not establish a category in which a material amount (as defined by 2072(c)) of bargaining unit work was performed by subcontractors.

This case is closed without adjustment and is removed from Review Committee File No. 1765 and Arbitration Case No. 199.
