Peninsula Division Grievance No. BEL-94-29
Fact Finding Committee No. 5866-94-315
Pre-Review Committee File No. 1921**

CASE CLOSED
FILED & LOGGED

Subject

This case concerns the displacement of a Belmont Gas T&D Utility Worker.

Discussion

The grievant was hired by the Company on March 13, 1992 and at the time of displacement was a Utility Worker. The grievant was placed as a Gas Utility Worker-DC at Fremont. The grievant believes she should have been assigned to the Utility Worker-Building position at Belmont.

The grievant was placed into her 5th option. The other options, were compressed out or were assigned to employees with greater seniority.

Disposition

The grievant's placement under Title 206 did not constitute a violation of the Labor Agreement. This case is closed without adjustment.
