Mr. V. J. Thompson, Chairman
Joint Review Committee
Pacific Gas & Electric Company
245 Market Street
San Francisco 6, California

Dear Mr. Thompson:

With reference to R.C. File #22, the Union's Committee feels that as Mr. Gietzen has withdrawn his grievance the case as it affects him should be concluded. We feel that the arguments and conditions set forth in this grievance are pertinent to Review Case File #21, and the Union in withdrawing this grievance does so without prejudice to our position or limiting the use of this case in the determination of another.

Very truly yours,

L. L. Mitchell, Secretary
Local 1245, I.B.E.W.
Review Committee
