Dear Mr. Thompson:

Please be advised that Union's Review Committee is withdrawing case No. 29 from the Review Committee as a result of clarification in the new Agreement and the understanding that Mr. Minenna will be up-graded with preferential consideration when a vacancy occurs in his former classification.

It is our understanding that Mr. Minenna is now being used in the upper classification as a vacation relief. If this understanding is correct please acknowledge and we will consider this case closed.

Yours very truly,
