Mr. V. J. Thompson, Chairman  
Joint Review Committee  
Pacific Gas and Electric Company  
245 Market Street  
San Francisco 6, California

Dear Mr. Thompson:

Relative to our discussion of Review Committee File No. 36. The Union's Committee feels that the Company representative at Davis was derelict in his duties and took the easy way out to avoid embarrassment to himself. We do not feel that the employees should be used to save the boss from shouldering his responsibilities.

We further feel that the efficiency and harmony spoken of in the contract was harmed with this type of action, and hope that steps will be take to eliminate a recurrence of the same. We feel that pursuing this grievance would tend to add to this disharmony and in view of the additional information presented by the Company we propose to withdraw the grievance from the Review Committee.

Yours very truly,

L. L. Mitchell  
Secretary of Union's  
Review Committee Local 1245
