MR. E. E. STRAND, Chairman  
San Francisco Division  
Joint Grievance Committee

San Francisco Division Grievance No. 57, subject-proper classification for sandblasting, has been discussed in the Review Committee under File No. 114. The Committee has decided that this grievance should be resolved in the Division, utilizing the job definition of Helper, Steam Generation-Maintenance Department, forwarded to your Division on April 16, 1956. As you will note, this job definition was negotiated subsequent to the date on which this grievance was last discussed in your Committee. Under the revised job definitions a Helper may, under direction, use portable power tools for cleaning purposes.

V. J. THOMPSON, Chairman  
Review Committee.
